

# PARP 2001

READ: RESPECT THE ENVIRONMENT AND DISCOVER THE WORLD

## READING ADDS UP

Did you know that if you read just 15 minutes each day you will see an average of more than 1 million words each year?

Your 15 minutes of reading a day during PARP adds up to a lot of learning, and can help others too.

This year, we will be collecting a nickel for every 15 minutes you read and donating the money to a worthwhile charity.

## NICKEL ESTIMATION

Estimate how much money we will collect. Here are some facts to help you:

1. There are 418 students in Stratford Road School.
2. PARP lasts two weeks (10 school days).
3. Some students may bring in more than one nickel each day, and some may forget to bring their nickels.

Tear off the bottom of this sheet and return it to class on the last day of PARP, Friday, March 16, 2001.

I think there will be \_\_\_\_\_ nickels in the jar.

This equals \$ \_\_\_\_\_ .
