

Stratford Road's PARP 2002 RAP

By Taryn Picone and Chris Ripley

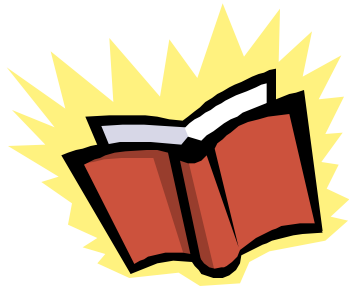

Chorus:

Reading is sweets for your mind,
You never know what you will find.
If dessert is your favorite part of the meal,
Grab your book it's a real sweet deal.

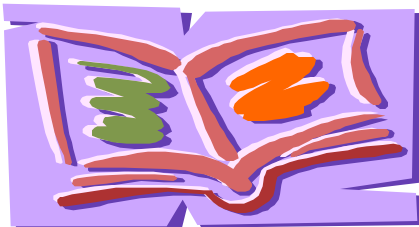

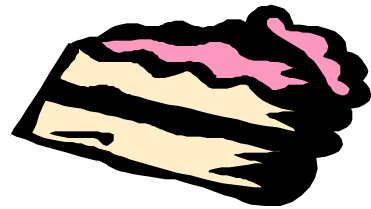

Thin books, thick books,
hard books, soft books
Bring us them all, every kind
It's like a big buffet in your mind.
Repeat Chorus

Imagine you are part of the book,
Your dreams will come true if you just take a look.
Read alone or with a friend,
Then share with us how it will end.
Repeat Chorus

Skinny Bones and Popcorn Book,
Were some of the greats, just take a look.
Shiloh was a little sad, but the ending was happy,
So it's not so bad.
Repeat Chorus

Read all day, read all night,
It will fill you with delight!
The Chalk Box Kid was very cool
You can read it by the pool!
Repeat Chorus

Read at School or read at home,
Read some prose, or a poem.
Books like cake can make you happy,
So grab one now and make it snappy!
