

PARP 2004 March 1st-5th “Entertain Your Brain.....READ”

Activity Guide Summary:

2/26 Pre-PARP Program –“The Cat in the Hat” Visits Stratford Road School

Children will meet the “Cat in the Hat” at lunch and receive a special gift to bring home.

2/26-3/5 PARP Website

Children will be visiting the PARP website and answering questions about reading during library time. Please visit the PARP website at www.PARP.org.

3/1 PARP Kickoff – “Reading is Magic”

Children will attend assembly program with a performance by Magician Bob.

3/1 – 3/5 Light Bulb

For every 15 minutes or more that your child reads, we are asking each child to color and bring in a “Light Bulb” from the package to add “brainpower” to our bulletin board display.

3/1 – 3/5 Bring in Game for the Game Drive

Every child is being asked to bring in a new game that will be donated to a children’s home in Syosset; see activity sheet for details.

3/1 – 3/5 Red Rover Brain Teaser Game

Learning is fun! During their physical education period, our children will be playing Red Rover and answering all kinds of brainteasers.

3/2 Student Survey

Have your child tell us what and where he/she likes to read. They can see the results on the PARP bulletin board; see activity sheet for details.

3/3 Guest Reader Day

During this annual event we invite guests from all walks of life to visit the individual classrooms and read to our students. The guest reader explains to the students the importance of reading in their chosen profession.

3/3 Principal’s Challenge

We need your child’s ideas for the principal’s challenge; see activity sheet for details.

3/4 Most Entertaining Book

Children can write and draw a book review describing their favorite book. Book reviews will be displayed on the PARP bulletin board; see activity sheet for details.

3/5 “Scattegories” Game – final PARP program

The children will entertain their brains by playing “Scattegories” during lunch.
